iii. *To prevent commercialization of education by some Schools.*

However, it has been reported that the said exercise of countersigning of results by the **ZEO's/CEO's** has become quite problematic for the Private Schools due to several conditions imposed by the **CEO's/ZEO's** (varying from District to District) on the Private Schools. Keeping in view the above facts and in order to have a uniform procedures in the entire Jammu Division, the **CEO's/Dy. (b) **ZEO's/Dy. CEO's** (where applicable) shall countersign results for Private High/Higher Secondary Schools in their respective jurisdictions.
(c) The Private Schools shall be required to produce the countersigned result of the previous academic year alongwith the proof of recognition of the School.
(d) The current result will be countersigned only, if the students figuring therein are exactly having particulars as that of previous academic year.
(e) Authenticated/Countersigned School Leaving Transfer Certificate of the previous School shall be required only in case a student is figuring in the current result but he/she did not figure in the countersigned result of the previous year.

Besides the schools which are recognized/permitted to run upto 8th class and their result for the years 2019-20 has not been confirmed by the concerned **CEO's/ZEO's** shall also be confirmed as per above terms and conditions as one time exemption only and in future they will completely desisit from running un-authorized classes immediately in order to avoide punitive action in future.
