Subject : Academic Calendar (Implementation and Follow-up thereof)

Order No. 1050 **of 2019**
Dated : 28-06-2019

Whereas, Teaching- Learning process has to be effective for achievement of goal of Academic Excellence:

Whereas, classroom interaction has to be time bound to help students reach the desired level of academic growth as per their age:

Whereas, it has been observed that a proper and uniform Calendar in respect of academic curriculum is not being followed in Govt. schools which is directly affecting the academic performance of students in these schools:

Whereas, a need has been felt to have uniform Academic Calendar throughout Jammu Division that prescribes timelines for completion of syllabi within reasonable period of time and to serve as a planning document for all the stakeholders including students, teachers, parents and monitoring teams:

Therefore, in view of the above, it is hereby ordered that:

Academic Calendars for both summer and winter zones, (Annexure "A" and "B" to this order) shall be mandatorily followed by all the Govt. Schools across Jammu Division. The calendar also includes co-curricular activities like counseling, cultural, environmental, sports activities and celebration of important days/occasions which shall be carried out during the year by schools on dates as per their choice and convenience. ***However, no flexibility is allowed in the academic schedule.***

It is further ordered that following guidelines shall be followed strictly in the implementation of the Academic Calander;

- All schools shall keep provision for one library period to encourage reading habits among students.
- At the end of each unit, students shall also be assessed on the pattern of NAS in addition to the regular tests and the performance of each student shall be recorded digitally within the school while the abstract of performance of each class shall be uploaded on **www.dsejmonitoring.co.in**.
- Activity based teaching learning methods must be used in the classrooms.
- Science and Mathematics Kits where-ever available should be used by the teacher for effective teaching-learning and should be allowed to be used in the classrooms by the students.
- Teaching methods must invariably be interactive rather than passive. Students must be encouraged to ask questions. Classroom transactions have to be such so as to achieve learning outcomes and every teacher should have learning outcomes document with him/her.
- Schools shall not allow any outside agencies/ departments to carry out any activity involving students of Govt. schools, which disrupts academic schedule.

Government of Jammu & Kashmir
Directorate of School Education Jammu
*****

- To streamline the process of conduct of activities organized by other departments/ NGOs etc, facility has been provided on the monitoring portal of the department www.dsejmonitoring.co.in for making a formal request with details of activities intended to be organized. All Heads of Institutions shall apprise the departments/organizations which approach them directly, to route their requests through the online portal.

- The Principal, State Institute of Education shall be responsible for implementing the approved training calendar in a systematic manner so that the academic calendar is not disrupted. To monitor the deputation of teachers/ Masters/ Lecturers etc without causing any loss to the academic process, SIE shall ensure that all deputations on training shall be processed through online mode only.

- No CEO/ DIET Principal/ZEO/HOI shall depute any teacher for any training without approval of Principal SIE, who shall in turn, keep this directorate informed.

- The HOIs shall also ensure that when any teacher is deputed for training, he or she shall be relieved only after an internal arrangement is made for covering the class work allotted to that teacher.

- If, due to any unavoidable circumstances beyond the control of the Head of Institution, any disruption is caused to the academic calendar, the loss of teaching hours shall be compensated within next ten working days.

All HOIs are advised to adhere to the guidelines for effective implementation.

The Calendar is also available on the official websites of this Directorate **(www.schedujammu.nic.in)** and State Institute of Education Jammu. (www.siejammu.in).
