Sub: Circulation of Annual Calendar-Guidance and Counselling activities for the Year 2020-21.

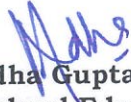

Corona virus pandemic is an epidemiological and psychological crisis. The enormity of living in isolation, changes in our daily lives, job loss, financial hardship and grief over the death of loved ones has the potential to affect the mental health and well-being of many including children. Being at home it can place some children at increased risk of mental health issues, life style changes and child abuse incidents and make them witness to interpersonal violence.

Guidance and counseling being already a regular feature in government schools cannot be ignored at this crucial juncture. So, need has been felt to undertake guidance and counselling activities for school students via similar media as used for carrying out academic activities.

In this regard kindly find enclosed herewith the annual calendar of guidance and counselling activities issued by counselling cell DSEJ for the session 2020-21 for circulation to HSS and HS of your respective district via online resources.

These afore mentioned activities will be carried out by members of counselling cells already constituted in HSS, HS and to be monitored/co-ordinated by cells at respective Diets.

Principal DIETs are further directed to send monthly report of these guidance and counselling activities to this office through DNOs counselling cells at DIETs for further sending it to administrative department.
