Respected Sir,

Kind reference is to the online 'Training of Trainer' programme for Principals/HM and PE teachers amongst the schools in the state of J&K.

In this regard, it is my earnest request to kindly confirm the proposed plan of the programme as annexed in the D.O. letter as annexure A and B. Furthermore, It may be sent to all the schools under the Directorate of School Education, J&K to nominate PE teachers from their schools to attend this programme.

On behalf of SAI, Mr. Harvinder Tanwar (+91 9999405340) would be the coordinator for this programme, his contact may also be forwarded to schools.

With regards,
Ekta Vishnoi

D.O. No 17-3/SAI/Fit India/MD/2021

25 Jan, 2021

Respected Sir,

Subject: Fit India Awareness Programme for Jammu and Kashmir Board of School Education with Sports Authority of India (SAI) under the Khelo India National Fitness Programme for Schools in Online mode

'Khelo India', a National Programme for Development of Sports in India, was introduced in December 2017 by the Ministry of Youth Affairs and Sports, Govt. of India to revive the sports culture in India and to identify the talent at grass-root level by building a strong framework. "Physical Fitness of School going Children" is one of vital vertical out of 12 key verticals of Khelo India.

2. Sports Culture needs to be an integral part of Education System. Sports Authority of India is developing a 4-stage framework - Grassroots, Development, Excel and Elite - to capture different sporting pathways. Physical fitness assessment of school going children is first step towards grass root talent identification. This needs to be done by all teacher inclusive PE Teachers in schools.

3. Due to the Coronavirus (COVID-19) outbreak, schools were shut down for quite a long time. However, the new academic session has begun across India in form of Online Classes / Webinars. Keeping this in mind, the initiative taken by Jammu and Kashmir Board of School Education is appreciable wherein 576 schools are registered, 110 Students data had been uploaded, since there are lot of potential in schools under Jammu and Kashmir Board of School Education, we would like to request that Khelo India Fitness Programme needs to be implemented in each school of each district of Jammu and Kashmir.

4. Post this, along with your effort, we would like to organise online Training of training Program under Khelo India Fitness Assessment Programme for the PETs. In order to make teachers equipped with the Knowledge, Skills and Attitude to perform Physical Fitness Assessment tests in their schools, we would like to propose to conduct 2 days (1.5 hour each) online training programme/ webinar for PE Teachers.

5. SAI proposes to do the 2 days training session in 1st March, 2021. Post the training, PETs will be able to register their schools, create profile for themselves, upload students' data, Usage of KIFA and learn how to do Assessment. Once schools reopen, they will be start Assessments using Mobile app in their schools and also a half day (2 hours) on-ground training may be conducted for practical experience of Assessments.

Kindly intimate to us the confirmation regarding the same, and also inform us about any impact in the context of the proposed plan.

With regards,

Yours sincerely,

(Ekta Vishnoi)
Mission Director, Fit India

Dr. Farooq Ahmad Peer,
Director,
