CIRCULAR

Department of School Education Jammu & Kashmir had launched Manzilein- JK Career Portal in May 2020 with the technical support of UNICEF as part of its initiatives to provide career guidance to the students of Classes 9th - 12th of all government schools. This portal facilitates government school students in stream selection, planning further studies as well as in making informed career choices.

Furthermore, Counselling Cell, DSEJ with the support of UNICEF has formulated a comprehensive plan for “Career Guidance”, which includes both online and offline career guidance, along with mechanisms to reach out to all eligible and desirous students of J&K.

Due to the prevailing COVID-19 pandemic situation, all the schools are presently closed now and students are finding it difficult to cope-up with their career uncertainties and other related issues.

In this regard, all the Chief Education Officers of Jammu Division are hereby directed to inform all the HOIs (HSS & HS) to encourage the students to access the portal and circulate the necessary user guidelines (Annexure-A) for Manzilein JK Career Guidance Portal which may be accessed at www.jkcareerportal.org

District Nodal Officers, District Counselling Coordinators and Faculty Counsellors are directed to play an active role in terms of mentoring students regarding career decision making.
