Madam / Sir,

As you are aware, 61 Master Trainers are working in the state for school monitoring. In an endeavor to further improve the efficacy of school monitoring & academic support, SSA intends to strengthen this pool of Master Trainers / Coaches by increasing the number to 110 (5 per district) and building their capacity on coaching & monitoring

Applications received here shall be scrutinized, and a shortlist of candidates will be announced from this office. Shortlisted candidates shall undergo a selection process to select the most motivated & skilled persons.

This shall be a unique opportunity for the individuals selected as Master Trainers / Coaches to develop their professional skills and contribute in improving the quality of education in the state. Selected Master Trainers / Coaches shall coach Academic Monitors on improving learning outcomes through on-site academic support to teachers & Hols.

You are requested to communicate application website to Academic Monitors (in case of Kashmir division) and CRPs / ZRPs (in case of Jammu division) from your districts and encourage them to participate in this process.
